Jolyon Caplin

Jolyon plays music on the move... Specializing in ballads and unique improvisations he alternates between clarinet and saxophone, smoothly mounting his unicycle and riding as he plays. He jokes this is the only way to combine his hobbies in his time-starved lifestyle! He plays both Chinese and Western ballads, pop, Showtime and Latin numbers, giving a fresh interpretation through his imaginative playing.

Buskers dedicate their time and effort in bringing joy to the street, please show your support by giving. Thank you.
